

AAGMAN(Alumni Meet-2023)

Alumni meet of 1998 batch passed out students for all branches is organized on 28th October 2023 in the campus. Alumni meet is a gathering of passed out students of an institution and it is a place where the institution feels proud on seeing its successful alumni. During their meet, the alumni community shares their experience in the outside world, which they faced after stepping out of the institution. An alumni network or community allows you to connect with fellow students, network, and benefit from your association with your university post-graduation. Having alumni associations helps a university in several ways. Firstly, they help grow the brand and reputation of the university. We are happy to share that our alumni are settled in many countries with different companies on top most positions.
